Look to this day!  
 For it is life, the very life of life.  
 In its brief course  
 lie all the verities and realities  
 of your existence..  
 For yesterday  
 is already a dream,  
 And tomorrow  
 is only a vision;  
 But today, well lived,  
 makes every yesterday  
 a dream of happiness,  
 and every tomorrow  
 a vision of hope.

# AN MEMOIR OF

No longer will you sit beside me,  
no longer will we cheat.  
No longer will I honk my horn,  
whenever you cross the street.

At night I sit and think of you,  
and all the fun we had.  
Remember Mr. Bellman's Class?  
D&D would make you so mad!

I guess I have some things to say,  
but it's a little too late to be said.  
But I'm gonna say them anyway,  
just to get them out of my head.

There were many times I thought of you,  
as more than just a friend.  
And when you were in trouble,  
a helping hand I'd lend.

I wanted to tell you how I felt,  
and see what you would think.  
But I was afraid our friendship would change,  
or possibly even shrink.

Bobby, Dedrick, Anthony, and Mike,  
he knows how much you care.  
And if you ever need anything,  
you know I'll always be there.

So I send to you this little poem,  
to all who'd like to read,  
that CARLOS RICHARD PEREZ isn't gone,  
he is where he's supposed to be.

Shannon McCauley

Dear Bill,

As you look into the future, remember we're so proud of the person you are. You have succeeded in so much already, and there is so much ahead. We wish you the best life can offer. Sometimes our plans don't turn out as we wish, but later we often find it was better that way. Remember, we will always love you, and "Some of Gods greatest gifts are unanswered prayers".

Love,  
Mom & Dad

Laura,

We are sooooo proud of you! Grab hold of your destiny and take it to the limit. We all love and cherish you.

Delight yourself in the Lord and he will give you the desires of your heart.

Dear Deana

A wise man once said: "Even though paths may grow apart..... Friendships never leave the heart". Also remember one of your favorites....."A friend is one who knows all about you and still likes you". We are glad we are your friends and you are ours. Go into the future holding these thoughts close to your heart

Love from,  
Susan, Mike, and Mikey

Jodi,

The lord has truly blessed us. We have shared two years of our lives, our hopes and fears, and our countless prayers. Remember on whom we stand, and we shall never fall.

Me thinks when Amanda leaves  
There will be more than gloom  
for whenever anything is lost  
I can find it in her room.

So when she goes  
I guess I'll lose my mind  
because it will be there in her room  
with everything else I can't find

We love you & are very  
proud of you.

Good  
Bye

JOURNEY  
There was a time  
I seemed to sail  
upon a vast, blue sea,  
Scanning the horizon  
for some distant, golden shore,  
Imagining that happiness  
lay just ahead of me  
In some wondrous perfect place  
I'd never seen before...  
But as the days  
and years passed by,  
I came to comprehend  
That joy is in the journeying,  
not at the journey's end.
